Foreword

If time were numbered with sea shells we could take a chest, and keep a rosy one for the first "A" of our career; a sad, blue pearl for the first home-sick week of school; one that sings pretty songs in our ear for the first love; a huge, lonely, bumpy one for the many hours of study; and then, of course, the pearly, gray one of happy friendship.

But, alas, time is not recorded in the collection of shells for memory and the student is no shell collector. The days slip by; as they go we say, "This we must remember", but we find there is no trace left on our Beach of Recollection, and our shells have slipt away unheeded.

Lest the Sea of Oblivion engulf our shining shells, so vivid in the sun of to-day, some of us have turned shell collectors. Herein you shall see those parts of the year which we have set forth as the pearls in our chest of 1926, and the key to this Treasure Box is the RECENSIO.

To the Juniors

Perhaps you'll blame us for the things we've said,
But don't be harsh although you may see "red".

We tried to get one thought in every verse
And you can't deny we could have said much worse.

In future years you'll value what we've said
And laugh at life which once in college you led.

Of jokes or quips, base pun or gay bon mot,
Accept what's true—forgive the part that's not.

So take our little rhymes for what they're worth
And join with us in hopes of future mirth.

The record is plain; you get but what you merit—
And our advice to you is "Grin and bear it".

Alice has those "come to mama" looks—
This vampire's conquests fill some several books

RAYMOND F. SMITH, ΦKT — Norwalk, Ohio

"The Fate that hides" has never touched this rose,
That in the Phi Tau garden blooms and grows.

WILLIAM A. SMITH, BΘΠ — Warren, Ohio

To name him Smith was bad enough for him,
But adding William makes him quite a common
"bim."

DOROTHY J. SPENCE, ΔZ — Cincinnati, Ohio

She's in, then out, then back again, is Dot;
The U. of C. must hold few charms—eh, what?

WALTER SPIELMAN, ΔKE — Miamisburg, Ohio

With all his gentle and retiring air,
He packs a wallop like a cornered grizzly bear.

JACK E. SUTPHIN, ΔΘX — Toledo, Ohio

Toledo's humor fills Jack's mind by day;
At night he turns to girls with thoughts as gay

MIRIAM M. STONEBREAKER — Marion, Ohio

Fair innocence sits sweet upon her face;
She breaks men's hearts with simple grace

LESLIE K. STOUT, ΣΔP — Lockland, Ohio

Ask Thaddeus for a smoke-ring cigarette;
We understand that he is hunting them yet.

OSCAR M. STOUT, ΔT — College Corner, Ohio

He dances with the satyrs in the fields,
Yet seeks the fruits that fairest knowledge yields.

RICHARD E. STOWE, ΣX — Dayton, Ohio

From Oxford and the Sig House Dick departed;
He left his pin, so she's not broken-hearted

ELMER F. STRUKE, ΦΔΘ — Cincinnati, Ohio

With work and sweat and honest, strenuous toil,
He planned the Junior Prom according to Hoyle

MARY STRUBLE — Hamilton, Ohio

Yes, Mary Struble is a Podac true;
Outside of that she has no faults to rue.

WENONAH B. SUIT — May's Lick, Ky

Thy name, Wenonah, the poetry of thy self,
Depicts thy face and form a laughing elf.

NED SULLENBERGER, ΣX — Oxford, Ohio

The college youths who buy their clothes from
Ned,
Respect his perfect taste, from toe to head.

MIRIAM SUTTON, ΠΔΘ — Norwood, Ohio

House-keeping instinct here is never lax;
She's getting practice from the rooms she stacks.

GERTRUDE TEGGE, ZTA — Cleveland, Ohio

The fair are not efficient, we usually find;
But Gertrude's that—the rarest of her kind.

NORMA THEOBALD, ZTA — Dayton, Ohio

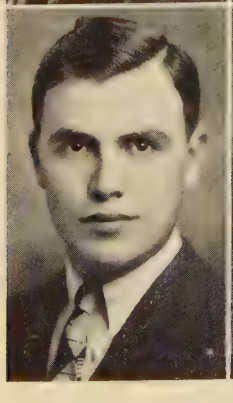
Home tasks are those for which Miss Norma cares;
She loves to dust and sweep and mop the stairs.

EDITH J. TILGHMAN — Oxford, Ohio

Library books is her long suit of late,
But now and then they say she books a date.

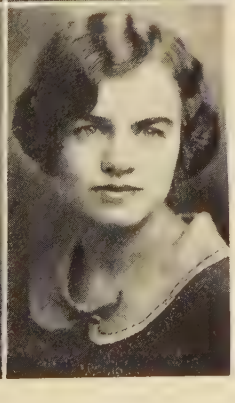
MARIAN R. TIMME, ZTA — Cincinnati, Ohio

Ah Marian! You flouted old Miami's lure
For Cincy's; it's a case without a cure.



GEORGE W. TISCHER, ΔKE — Dayton, Ohio

King George the Third was kind and good and soft
Beside this monarch of the Ec book-loft.



HELEN S. TREICHLER, ΔΞ — Newfane, N. Y.

This year, indeed, for Helen is full of fun;
She's looking up to George more ways than one.

CHARLES A. VANCE — Taylorsville, Ohio

A lover of books and knowledge is Charley Vance;
We wonder how he dodged bold Cupid's lance.

J. DIETRICH VOLLBRECHT, ΣΔP — Hamilton, Ohio

"Dietrich Vollbrecht" is Dutch, we cannot deny—
Drinks beer, eats pretzels—we don't dare ask him why.

MARY E. VOICE, ΔΔΔ — Ft. Thomas, Ky.

We hand it to this jolly Tri-Delt jane,
To Marny, may her giggles never wane.

ORVILLE WALKER, ΣΔP — Middletown, Ohio

One Orville gained his all by building planes;
This one, as a Walker, the best of health retains.

FORREST WALTZ — Brookville, Ind.

A forest, my dear Waltz, is full of trees;
Methinks thy ivory bean is full of B's.

CLARENCE E. WARD — Sidney, Ohio

And now we come to studious Clarence Ward;
However dry he looks he's never bored.

RUTH H. WARNER, ΔZ — Greenville, Ohio

We always thought the Turks were fierce and wild,
Until we found this "Turk" both meek and mild.

MARGARET A. WATSON — Dayton, Ohio

Her flashing needle flies both in and out,
Upon some dress with which her friends to flout

EUGENE F. WEAVER — Upper Sandusky, Ohio

"Now, I am a man with truth in my eye,"
Except these words he never told a lie.

EARL WELLER, ΑΘΦ — Centerville, Ohio

A tennis fan sublime is quiet Earl;
Then, too, he's cracked the heart of many a girl.

ELLENMARY WELSH — Hamilton, Ohio

This shy, demure, elusive, timorous maid
Is even of her shadow said to be afraid.

JOANNA WEST — Martinsville, Ohio

Sophistication is her middle name;
She seeks to out-rival Egyptian Cleo's fame.

GAGE G. WETHERILL, ΣΧ — Oberlin, Ohio

Gage did mean of eld naught else but "glove"—
All loyal handshakers place him far above.

ALTHEA M. WHITE, ΑΟΠ — Cleveland, Ohio

Stop singing the blues, Al, for you know it is true
That red-haired girls lack cause for being blue.

LOWELL M. WHITE, ΔΤΔ — Cincinnati, Ohio

Grave Whitey tickles the ivories every night;
His tunes are good, but his line—what a fright.

HORTENSE A. WILLIAMS — Portsmouth, Ohio

Uncommon as is plainest common sense—
Coolidge has it; so has sweet Hortense.

Eva M. Williamson, ΘΥ — Spring Valley, Ohio

As all the Profs know Eva for her work,
It is a cinch that she will never shirk

Ray C. Wilson, BK̄ — Harrison, Ohio

Sheer beauty does this Beta Kap disdain,
And none shall e'er touch Wilson's heart again.

Bernadette Winter, AOΠ — Newark, Ohio

If Winter's come with her cold, you're sure to find
That Sigma Chi warmth of spring is trailing behind

Lucy E. Winters, ΠΔΘ — Martinsville, Ohio

For being cold you might, dear Lucy, blame;
But what, we ask you, mates, is in a name?

Lillian R. Wittman, ΘΣΥ — Hamilton, Ohio

This friendly maid has that intriguing way
That holds her friends within it's boundless sway

Winnigene I. Wood — Shiloh, Ohio

The wistful look in her deep eyes of brown,
Reflect her sheltered youth in Shiloh town

Virginia E. Woodson, ΘΣΥ — Cincinnati, Ohio

A master of all pleasant thoughts and deeds
She plants a flower where there once grew weeds

Fannie Bell Worstell, ΘΥ — Dayton, Ohio

If Fannie Bell has work to do today,
Gosh help the awful guy who blocks her way.

JACK F. WRIGHT, ΔKE — Troy, Ohio

Here's a loyal lad, once blithe and gay,
But—sad to tell—love took his heart away.

YING HUA WU — Nanchang, China

From China comes this Junior, Mr. Wu—
The land of poppies and sweet mommies, too.

CALVIN W. YOUNG, ΔΘX — Hamilton, Ohio

Well named is Cal, but cocky, too, we find—
Flip as a jail-bird; little on his mind.

LEOTA C. YOUNG, ΣK — Cumberland, Ohio

Quite tall and dark and full of merry fun—
That's Sigma Kappa's own Leota Young.

JAMES O. YOUNG, ΣΔP — Hamilton, Ohio

James Otis Young has shown but little folly,
Yet we would venture that HER name isn't Molly.

ROBERT F. YOUNG, BΘΠ — Dayton, Ohio

He is brains and beauty and the glowering beast,
But he makes us all like it, to say the least.

WINIFRED H. YOUNG, ΔΔΔ — East Orange, N. J.

New Jersey's critics say the State's all wet,
But Winifred proved that they have lost their bet.

SETH E. ZIMMERMAN, ΔKE — Cincinnati, Ohio

Zim! Zam! And a cloud of sulphur smoke—
Here comes Zimmerman, the handsome bloke!

FREDERICK L. ELDER, ΔΤ — Youngstown, Ohio

A little business mixed with more of play—
You'll find him parked in Bishop day by day.

MILDRED MORNINGSTAR, ΔΖ — Hamilton, Ohio

Time's lagging step is "Marked" by Mid each day,
Because her Mark is miles and miles away

To Those Who Teach

Once upon a time, so the story goes, a young lad set out for a far distant land. His way lay over hills and over streams, through dense forests and between high mountains. The path by which he had started went straight ahead for a while, but soon began to be cut by other paths, which branched out from the one on which he had so far traveled. His feet were tender and his body of little strength. Soon he became weary, and, losing all sense of direction, footsore, ittle caring whether he ever penetrated the jungle in which he found himself, unable to retrace his steps, the youth despairing threw himself to rest at the foot of a giant tree.

Then there came to him an angel holding aloft a flaming torch. The angel beckoned. The youth arose and with revived strength followed his new found guide through the forest, faltering now and then, but ever pushing on, guided by the radiance cast upon his path by the upheld torch. For holding aloft the torch were those

"Who gave their days to drudgery divine
And saw in younger eyes their own lives shine."

Review of the 1925 Football Season

When the Miami fan looks back over the football season of 1925, an exceedingly pleasant sensation is experienced. True, the team did not win every game, but it is seldom that any team remains undefeated throughout an entire campaign, and the Big Red's record of five won and three lost, is that of a successful—a winning team.

In the newly-formed Buckeye Athletic Association against the strongest elevens in Ohio, the Miami grid machine won two and lost one, scoring 63 points to their opponents 6; an enviable record for any team.

One of Miami's defeats was at the hands of Indiana University, a Big Ten school, and the others to Denison and Oberlin, ancient foes. These defeats were bitter, but disappointments were soon forgotten in the rejoicing after the Cincinnati game on Thanksgiving, when the Big Reds redeemed themselves by administering an overwhelming 33 to 0 defeat to the Cincinnati Bearcats in their own stadium.

THE 1925 FOOTBALL SQUAD

GEORGETOWN

Heads-up football, combined with consistent line plunging and well-timed forward passes, enabled the Big Red football machine to take the measure of Georgetown eleven in the opening game of the 1925 season at Miami field last Saturday afternoon by a 19 to 0 score.

From the start to the finish the Miamians held the upper hand and never were in danger of having their goal line crossed by the visitors. Although the play of the two teams was not that of mid-season teams, the quality of play was considerably better than that of last year's opening game. Fumbles and misplays were few while the work of the two lines was highly commendable, especially on the defense. Contrary to advance information, the Kentuckians' backfield all but proved to be a fizzle while the Miami backs performed in unexpected form for a season opener.

WITTENBERG

Smashing and pounding their way through a heralded Wittenberg College football eleven, Miami's Big Red gridiron warriors upset all dope last Saturday afternoon when they handed Coach Ernest Godfrey's championship hopes a crushing setback to the tune of a 30 to 0 defeat.

The score, although comparatively high, does not relate the story of the game which was one of the hardest fought battles ever waged upon Miami field and one of the most deciding defeats Miami has handed to the Lutherans since the Big Red's 14 to 0 victory in 1921.

The victory, which happens to be Miami's seventh win over the Springfield aggregation since 1895, broke a jinx which has followed the Big Red since the 1922 football season. Saturday afternoon was the first time that a Miami football team has won a Conference game on their home field for two seasons.

STRUKE
STRYKER

WILSON
THOMAS

HEATHMAN
GANSBERG

Five veterans of hard campaigns will be missing next year when the Big Red eleven takes the field, and there is little doubt that their absence will be felt.

Captain Sharkey, Thomas, Brashares, Smilin' Gans, and Heathman will don the Red no more. These men who have so ably defended the Miami goal for three years will take their place with the majority—on the side lines.

TRANSYLVANIA

Battling with their backs to the wall, Miami's Big Red football warriors overcame the slashing onrush of the Transylvania University eleven on Miami Field last Saturday afternoon and forged their way to a 16 to 0 victory only after the most supreme effort had been made to keep the Kentuckians from crossing the Miami goal line.

Time and again during the first half the Miamians were called upon to give their best to turn back the ferocious drive of the visitors. Soon after the start of the game Transylvania displayed their power when they tore through the Miami forward wall almost at will, making four first downs in the initial period and placing the oval within scoring distance on several occasions. Again in the second period the visitors threatened to lower the Miami colors when they carried the ball down to Miami's half-foot mark, only to lose it on downs.

The spectacular playing of Harry Stryker Sophomore fullback, again was the feature of the day.

INDIANA

Miami's Big Red gridiron machine met defeat for the first time this season when the strong Indiana University eleven ploughed their way through a water-soaked field to cross the Red and White goal line for a twenty-five to seven victory at Bloomington, last Saturday afternoon.

Inability of Miami's forward wall to "dig themselves in" and the perplexity in solving the mass formation of the Western Conference eleven forced the Big Reds to bow down before the powerful onrush of the Crimson, which resulted in the Miami goal line being crossed for the first time this year.

The Red and White combination, although outweighed six pounds to the man, entered the game with the fair prospects of holding the Big Ten representatives to a low score, but the peculiar offense of the Hoosier backs mystified the Buckeyes to such a great extent in the opening periods of the game that Coach "Navy Bill" Ingram's team was able to chalk up a 19 point margin before they found their bearings.

BRICKLEY

WOHLWENDER

Sharkey's record as a fleet-footed half-back will long be remembered. Thomas, Brashares, and Smilin' Gans have been the bulwarks of the forward wall, and they need have no fear that they will be soon forgotten. The story of Brooks Heathman, quarter back, is different from the others; it reads like a fairy tale. For three long years he had "warmed the bench" and then, in the final game of his career, he distinguished himself and gained immortal fame by leading his team to a great victory in the Big Game.

DENISON

Playing in a sea of mud, where footing was nigh impossible, Miami's Big Red football team failed to score on a Denison grid machine for the first time in nine years, met defeat for the first time in three years and kicked the proverbial dope bucket to smithereines last Saturday afternoon when Denison emerged victor in the annual battle at Athletic Park, Dayton, by a six to nothing score.

Billed as a football classic the game was played under conditions which would have given handicaps to ducks or "mud-puppies". The echo of the first whistle had scarcely died away when the gridiron became transformed into mire with twenty-two mud-covered humans battling for the breaks which were to decide the memorable event. And, as in the past, they again made their appearance. Two years ago an inferior Miami team defeated a powerful Denison eleven. Last year the breaks were again with the Big Reds from Oxford. Saturday the characters of the story remained the same but their parts were reversed.

MT. UNION

Checking off thirteen first downs to her opponents one, Mount Union was unable to overcome two points made on a safety play, and lost to the husky Miami team by an 8-6 score in the Homecoming game, staged Saturday afternoon on Mount Union's home field.

A blocked punt early in the second period from behind the goal line, gave Miami two points when Wilcoxon recovered the ball. Shortly after this Wright of Miami, broke away for a 35 yard run for a touchdown, and Miami's one and only first down. Wright's run was the single spectacular run of the game.

Practically the entire game was played in the territory of the husky Reds, and time after time Mount's spectacular passes would bring the ball down to within scoring distance of the goal line only to have the ball get away from them by a fumble, or an intercepted pass.

A sloppy field of mud and water made playing difficult, and handling of the ball a matter of guesswork. Added to this was a cold, driving rain, that continued throughout the game, making the game both miserable to watch and ugly to play.

OBERLIN

Taking advantage of all the opportunities which the breaks of the game afforded them, Oberlin's undefeated football team added another scalp to her long list of victories and bolstered up her claim on the Ohio Conference championship when they romped away to a 18 to 7 win over the Big Red machine last Saturday afternoon in the annual Homecoming game at Miami Field.

Spectacular dashes by a negro lad by the name of Hansbury, who all but flew across the gridiron whenever he tucked the pigskin under his arm, was primarily the cause for the Big Red's defeat. The fact that the hefty Oberlin backs outplayed and outwitted the Miami ball toters at almost every stage of the game also played an important part in the Crimson and Gold's victory. But the day was not all Oberlin's, for on several occasions members of the Miami machine sparkled with brilliancy. Captain Tom Sharkey, who was playing his last game upon Miami Field, was one of the outstanding men

CINCINNATI

Even the skies were moved to tears by the disappointing exhibition that the Bearcats staged last Thursday when they allowed their ancient rivals from Miami to drub them most thoroughly and efficiently at the time-honored game of football, the Big Red winning handily, 33 to 0.

All that the Red terrors left for U. C. fans to be thankful for, as the Thanksgiving day sun set unseen, was the fact that their favorites were not beaten any worse. Though they were slow to get started, the herd from Oxford climaxed their game in cyclonic style by breaking away for three touchdowns in the fourth quarter.

Cincy looked like the victor in the first period, and for a time it seemed as if the Red and Black would get the jump on the visitors and run up the winning score. A wonderful pass from Bradford to Filger allowed the latter to cross the goal line after a 25 yard run, but Referee Lane ruled that Varsity had only six men on the line and so the golden opportunity was lost. With it went the Cincinnati morale; and the boys did not seem to be able to afford the Big Red the same grade of opposition as before.

—The Cincinnati Bearcat.

Freshman Football

Miami's Frosh elevens do not gain much glory. Their battles are not fought before huge crowds; cheering fans never hail them as heroes. Their work is that of fitting the Varsity for intercollegiate competition, and comparatively few ever see them in action. The work of the men of the Frosh squad of 1925 is reflected, however, in that of the Big Reds—a winning team.

Basket Ball Season 1925-26

Although greatly handicapped because of smallness of stature, Miami's Midgets, by winning six of the seven games played on the home floor, were enabled to close a hard campaign with more than a creditable showing against some of the strongest fives in the Middle West.

The "Little" Big Reds opened the court season against Indiana University, and were snowed under by the Hoosiers, at Bloomington, 47 to 26. The start of the Buckeye Championship race, however, found Tillotson's crew functioning smoothly and they proceeded to hand Ohio Wesleyan's basket ball artists a neat lacing.

Although more than successful on their own floor, Miami's quintet proved to be a poor road five, as is often the case with a "green" team, winning only one game and losing seven away from home. If the fact that the team was composed mainly of Sophomores this year proved a handicap, that fact seems to auger well for next, because with a little more experience, the team should develop into a real championship combination.

THE 1925-26 BASKET BALL SQUAD

BIG REDS DROP INITIAL GAME TO INDIANA, 47-26

Playing against a far superior team, Miami's Big Red basketeers went down in defeat before Indiana's Big Ten cage artists Thursday evening, December 9th, by a 47 to 26 score. The game which was played at Bloomington, Indiana was attended by a record crowd of over four thousand people.

EARLHAM

Big Reds Defeated by Richmond Five in Practice Tilt

The game which served as a practice game for the Miami team resulted in a 35 to 21 defeat. An early lead by Earlham in the first half proved to be too much of a handicap for the Red and White quintet to overcome during the latter period. The score at the half was 18 to 5.

CINCINNATI GYM

Cincinnati Gym, one of the best independent teams from the Queen City, was the victim of the Red and White cagers. After battling through the first half with the score 16 to 14 in their favor, Miami's "Midgets" opened up and swamped the Ohio river aggregation under an avalanche of baskets. The final score was 43 to 26.

OHIO WESLEYAN

Miami's Big Red cage team ushered in the 1926 Buckeye Athletic Association Basket Ball season in a blaze of glory last Saturday evening when they defeated Ohio Wesleyan's highly touted quintet in a close battle at Herron gymnasium by a 34 to 31 score.

Starting off at a terrific pace the Red and White basketeers soon piled up a lead in the first half which the "Six-foot" Wesleyan boys were unable to overcome as the game neared the end. Only once did the "Battling Bishops" threaten to forge ahead.

OHIO UNIVERSITY

Green and White

Lost in the storm of a bewildering Miami attack for half a game on the local floor Friday, Ohio's basket ball five loosed some thunder and lightning itself during the second period, overcame a 10 point lead and bagged a 50 to 39 victory.

The reversal in form was like magic. The Grovermen played like Orphans of the Storm during the initial half—with Miami furnishing the storm. They wandered about like lost souls, occasionally clustering beneath the Miami basket to watch Darling or Leahy, opposing forwards, drop the ball through for two more points.

DENISON

Two Games in Two Nights Too Much for Miami Basketeers

Two games in two consecutive nights proved to be too much for Miami's Red and White basketeers last week when they dropped a pair of Buckeye Conference cage tilts to Ohio University and Denison.

The Saturday night affair found the Miami cagers in a poor mood for basket ball as well as tired out from the previous night. Livingston's quintet found little difficulty in holding down the Miami forwards or evading the Big Red guards.

ANTIOCH

Displaying a whirlwind attack and an impregnable defense, the Big Red basketeers experienced little difficulty in administering a 55-16 defeat to the badly handicapped Antioch College quintet in a non-conference tilt staged on the local floor on the night of January 23.

Prospects

Prospects for a championship quintet for the season of 1927-28 seem exceptionally bright, as the Big Reds lose only one man by graduation, Roman Zipfel, Guard.

Four of the seven letters awarded were won by Sophomores, so that next year will see a team of veterans familiar with each other's style of play, who under the leadership of Captain-elect Clinger should travel some little distance on the road that leads to a championship.

WITTENBERG

That foul shooting ability is a large factor in present-day basket ball, was most graphically illustrated last Friday when Miami's Big Reds gained the decision over Wittenberg 42 to 32 in a Buckeye Athletic Association game at Springfield, by amassing 18 points via the free throw route.

This was the first game that Miami has won on Wittenberg's floor for several years, and the win placed Miami in a tie for fourth place in the Buckeye Conference.

OHIO WESLEYAN

Nine long range shots negotiated from beyond the foul circle gave the Battling Bishops the needed edge for a 34-23 victory when the Big Reds invaded Delaware on the night of February 3 for the return game with Ohio Wesleyan.

DENISON

Slightly appeased, but not satisfied is the revengeful spirit of Miami as the result of the Big Red's 32 to 20 cage victory over the Denison quintet at Herron Gymnasium last Saturday evening.

The basketeers' win evened things up with their traditional foe in the court game for the 1926 Buckeye A. A. season.

WITTENBERG

Lateness seemed to be the byword for the Miami-Wittenberg cage encounter of last Saturday evening, but contrary to the aged-old saying of "better late than never" it would have perhaps been better for the basket ball cohorts of Wittenberg college to have never shown up at Herron Gymnasium for their annual struggle with the Big Red five. Once the Lutherans fell behind the hour glass they just couldn't get started again. All of which resulted in their coming in late at the finish of the 41 to 25 win for Miami.

OBERLIN

Two days of rest took so much of the snap out of the Miami basketeers that they failed to co-ordinate against Oberlin last Tuesday and suffered a 30 to 24 defeat on the Oberlin floor.

CINCINNATI

Cincinnati clinched the title to the first basket ball championship of the Buckeye Conference last Saturday when the Bearcats knocked off Miami on the Oxford floor by the topheavy odds of 46 to 19. While U. C. has two other games on its schedule their outcome cannot affect the championship, for this victory made the Cincy triumph a mathematical certainty.

—The Cincinnati Bearcat.

OHIO UNIVERSITY
Green and White

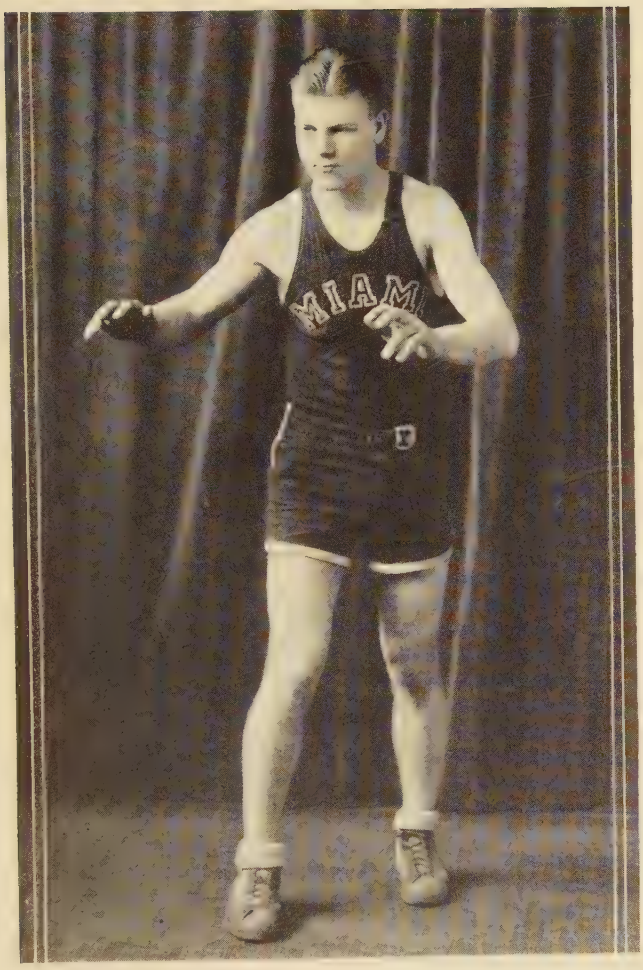
Victims of misfortune in two Buckeye basket ball games, Ohio University's court men treked back into Athens Sunday afternoon, bringing with them records telling how Bolton, Cincinnati's giant center, caged 20 points which enabled his team to win 30 to 26. The following night at Oxford, it was Taylor, an All-Ohio guard, who brought Miami victory by his feat of tossing nine out of nine foul shots. His uncanny accuracy from the foul line made possible Miami's 37 to 35 victory after Ohio had scored 14 field goals.

CINCINNATI

Playing one of the most spectacular games of his career, Ethan Allen, star Bearcat guard, was the shining feature of Cincinnati's second victory of the year over Miami, 49 to 34, on the U. C. floor last Saturday night. "Ethe" ran up the individual Bearcat scoring record when he cracked the hoops for 21 points during the night.

For Miami, Taylor at guard, showed that he is no slouch of a player in the cage game, either. He was the outstanding man on the Oxford squad with his scoring total of 18 markers. He was a flash on the floor and a mighty valuable man to his quintet which would have looked sick without his services.

—The Cincinnati Bearcat.



Paul Taylor, All-Buckeye Guard

A Sophomore is generally rather "hard put" to make a team, but Taylor not only made the team, but soon became its brightest star. The close of the season found him in third place in Buckeye Conference scoring, and the almost unanimous choice for All-Buckeye honors.

Freshman Basket Ball

An almost perfect team, the Frosh quintet of 1926-27 might be called. Victory seemed always to perch finally upon the brows of the lusty Frosh no matter how strong the opposition. Victories for the sons of '29 seemed to be the order of the day.

Victory tired of remaining in one position, however, and she yielded to the wiles of the Sophomores in the final game of the season, but then the feminine gender have always been known to be partial to Varsity stars.

The Freshman Squad

Captain Ed Thomas

Buckeye Association Light-Heavy Champion

Wrestling 1926

With but two veterans as a nucleus, Coach Pittser experienced great difficulty in placing a team in competition against squads composed of experienced mat men. As a result, Miami lost her first two meets by large scores. The next was a hard fought battle against the Cincinnati Bearcat grapplers, before whom the Big Reds again fell, but only by a narrow margin.

The season of 1926 was an unsuccessful one, but prospects for a team next year, such as the undefeated 1925 team, are bright.

But one man will be lost to the team next year, Captain Thomas, and although his absence will be felt, as he was a consistent winner, the squad as a whole should be greatly improved because of a year's experience.

MIAMI GRAPPLERS SUFFER DEFEAT IN OPENING MEET

Thomas and Buchanan Only Winners for Big Red Team

Defeat was the portion of Miami's grapplers last Friday night when they met the wrestling team from the University of Cincinnati in Herron Gymnasium, Oxford, in their first meet of the season.

The Big Red tusslers, who were undefeated last year, showed but little strength against a rejuvenated Cincinnati team, who were out to avenge their overwhelming defeat at the hands of Ohio University last week. This was done with neatness and dispatch, the Cincy grapplers emerging as winners 19 to 10.

—The Miami Student.

BUCHANAN, BIG RED'S ONLY WINNER

Miami's grapplers, in their second meet of the year, lost to Ohio University 27 to 2 in a Buckeye Association meet at Athens last Friday night.

The Big Reds entered the meet under a handicap of ten points, for injuries to C. Rogers and Buckingham, sustained in the Cincinnati meet, forced Pittser's crew to forfeit both the 115 lb. and heavy-weight classes. Miami was also out-weighed considerably by Ohio which further contributed to her defeat.

Ohio gained three falls, one of which was technical when P. Rogers was unable to continue because of injuries, ten points by forfeit, and one decision to amass a total of twenty-seven against Miami's two points.

Buchanan wrestling in the 145-pound class, gained the decision for Miami's only counters of the meet.

Each Team Takes Two Decisions—Fall and Default Win for Cincy Team

Coach Studer's Varsity wrestling team decisively defeated the Miami University grapplers for the second time this year when they downed the "Big Red" 16½ to 6½ in the Varsity Gym the night of February 19. Each team won two decisions and one match was called a draw and the points divided. Cincinnati won by default in the 125-pound class and by a fall in the heavyweight division, however giving the Bearcats a safe margin of victory.

Ohio Wrestlers Win Championship; Wesleyan Places Second; Cincy Third; Miami, Fourth

By winning three final bouts, Ohio University grapplers annexed the 1926 championship at the B. A. A. meet held in Cincinnati March 5 and 6.

Miami's three-man team of Thomas, Buchanan, and Buckingham placed two men in the finals, scoring eight points to finish fourth. Captain Thomas, wrestling in the light heavyweight class, gained the decision over J. Tilton, Wesleyan, in a fast, hard fought bout, to win the light heavyweight championship of the Buckeye Association.

Buchanan, 145 pound class, although putting up a great fight, lost to Shafer, Ohio U., by fall after 4 minutes and 18 seconds of wrestling.

Buckingham, Miami's only other entry, was eliminated in the preliminary round by Mitchell of Cincinnati.

Team scoring in the meet was as follows: Ohio U. 20, Ohio Wesleyan 12, Cincinnati 10, Miami 8, Denison 3.

—The Miami Student.

Captain Baker

Baseball 1925

Though they did not win the Conference championship, Captain Baker and his crew of sluggers almost upset the dope bucket by finishing the season with seven straight wins to finish second in the Ohio Conference Standing. Two early season defeats were all that kept the Big Reds from copping the flag, for once they "hit their stride" they were practically unbeatable.

Behind the able pitching of Bowyer, Morlidge, and Gansberg, Miami's diamond stars pounded out victory after victory and finished the season with a record of seven conference wins and two defeats; and a total season record of nine victories and five losses.

The team of 1926 under Captain-elect Gingrich should be as strong if not stronger than that of 1925, so that Miami should again be fighting for a championship.

ST. XAVIER

St. Xavier ball tossers defeated the Miami nine Wednesday, April 15, at Cincinnati by a 19 to 7 score in a game featured by heavy hitting and loose fielding.

WITTENBERG

Failure of Miami's baseballers to "use their heads" at the strategic points of the game allowed Wittenberg to cop the opening game of the 1925 season on Miami field April 18, by a 3 to 2 score.

OHIO UNIVERSITY

Miami's baseball team broke into the win column of Ohio Conference last Friday, April 24, when they handed Ohio University nine a 6 to 4 setback with Bowyer in the box.

CINCINNATI

Three hits, two walks, and one error gave Miami four runs in the first inning and incidentally enough runs to down the Bearcat nine at Cincinnati, Tuesday, April 22, in the first battle between the two teams this season.

DAYTON U.

Saturday, April 25, the Big Reds were not fortunate when they dropped an uninteresting game to the Flyers from Dayton 7 to 4.

ST. XAVIER

St. Xavier's conference championship hopes received a bad jolt last Friday, May first, when Coach Pittser's ball nine came from behind in the last of the sixth inning, tied the score, and then proceeded to pound out two more runs in the eighth to trim the Queen City lads by a six to four score for their first defeat of the season.

Miami's only defeat on the trip came on the first day of the journey when they were beaten by Capital U. at Columbus 9 to 8, with French in the box for the Big Reds.

The Big Red cinder artists of 1925 were about all that could be desired. While they did not win the Big Six Meet, they finished second and gave Ohio Wesleyan coaches whole handsful of gray hair.

In dual meets, Miami was beaten just once, and that at the hands of a Big Ten Conference school, Indiana University.

Comparatively few men were lost to the team because of graduation so that the Big Red track team should continue its pleasant habit of winning meets for the season of 1926.

INDIANA

Bowing to Nemesis, the Miami cinder path pounders dropped a close duel with the Indiana trackers Saturday, May 2, by a count of 67 to 64. Had it not been for "Willie" Evans' unfortunate slip and his tangle with the last hurdle in the 220 grind, the Oxford lads would have defied precedent and a Big Ten school would have been added to the list of Miami's victims.

In making their exceptional stand against the Hoosier stars, the Big Red runners shattered three local records. "Wrecker" Mills was the first of Rider's boys to set a new mark. He cleared the stick in the pole vault at 11 ft. 4½ in., besting Kramb's effort of last year by one inch and a half. Emery was the next to come through with a new mark when he circled the oval in the two mile jaunt in the man-killing time of 10:7.8, and it was not long until Jerry Payne heaved the javelin 167 ft. 5 inches to add his name to the Miami hall of fame.

OBERLIN

Coach Rider's cinder path and field artists amply proved their status as "one of the best in the state" Saturday, May 9, when they trounced the field and track team of Oberlin College 92 to 39 upon the latter's field.

In sweeping the Congregationalists off their feet, the Big Reds copped thirteen firsts out of the fifteen events and bettered two long-standing records. Weaver "Red" Emery was the first to pull the record-breaking stunt when he bettered his previous time for the two mile by 11.8 seconds. The other pace-setters came in the last event of the day, the relay, which was won by Miami in the record-breaking time of three minutes, twenty-six and four-fifths seconds.

GEORGETOWN

Taking fourteen firsts out of fifteen events, Miami's record-breaking track team thoroughly humbled the track and field team of Georgetown University of Kentucky last Saturday, May 16, in a dual meet which was staged in conjunction with the Third Annual Inter-Scholastic Track and Field meet at Miami Field. The final score of the meet was: Miami 110, Georgetown 20.

With the exception of the mile run and the high jump, no records were in any danger. Dietz clipped 1.5 seconds off the old record made by Bogart in 1914 when he traversed the circuit in 4 minutes, 38.5 seconds. Dan Wagner, performing at his best so far this season, equaled the high jump mark of 5 feet 9¼ inches which was set by Markley in 1907.

CINCINNATI

May 29, 1925:-

Grief-stricken little Bearcats roam Burnet Woods this week, for cruel Miami raided their den last Saturday, and for the fifth straight year the Oxford crew romped away with the honors in the annual track and field duel. This time the count was 78 2-3 to 52 1-3.

The time in all the events was unusually good. Breidenbaugh, in copping the mile run for Miami, traversed the distance in 4:36.8, breaking the record held by Dietz by two seconds. The half mile mark, which has remained unbroken for fourteen years was equalled by Ed Weil, while Sharkey again traveled the 220 in 22 seconds flat. The only Cincy record to fall, was the mark in the javelin throw. Grasfeder heaved the stick 170 feet, 5½ inches, when he performed the feat.

The Century Run, which along with the 220, was doped to be the closest fight of the day, proved a disappointment. Bennet, the ace of the Black and Red Sprinters, did not have a chance to beat the Peerless Sharkey.

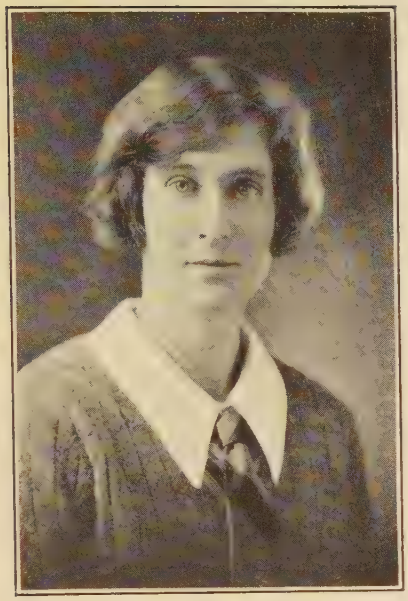
President of the Women's Athletic Board

The Development of Girls' Athletics

Interest in athletics for girls has increased greatly in the last five years for they have come to play a great part in the activities and life of girls on this campus. In 1921 athletics were still very poorly organized. There was no organization to correspond to the present Closed Athletic Association. The Executive Board consisted of only a few girls who were interested in physical education. In order to get a numeral one had to be on three teams all in one year; hockey, basket ball and baseball. These sports together with tennis were the only sports then offered. The tennis champion was awarded a numeral. In order to get an "M", a girl had to win two numerals. For each additional numeral won after the "M", a girl was given a bar to wear. This system cut out a great many girls who had hopes of winning a numeral, for she had to be good in all sports. In the fall of '21 Miss Phillips came to Miami. It was during this first year that the entire point system was revised and the present system, that of the national organization of Women's Athletic Associations was adopted. It was in this year that the first indoor meet was held. The following year soccer, volley ball and track were added to the list of sports. This year there was a great increase in the number of "M" girls who formed themselves into an active organization. Girls having 100 points became members of the Closed Athletic Association which held regular meetings and discussed problems of importance and interest to girls. Athletic Board came to consist of representatives from the various classes and the class managers. It was this year that a color tournament in basket ball was tried and it was so successful that it was again held the following year, but it was replaced in 1925 by the inter-sorority tournament. It was in 1923 that the first outdoor track meet was held. The next year archery was added to the fall and spring sports. This type of activity is especially valuable for those girls who are not physically able to participate in the more strenuous sports. An added attraction to the fall sports was the intersectional tournament which took place before the regular class games. Clogging was a feature added to the usual indoor program. This year has found facilities for archery improved so that all girls who are not able to participate in the other sports can have their share in the gym work. Special classes in indoor work are also now held for these girls. A dorm tournament was another feature of the indoor season together with a class in natural dancing.

Perhaps the oldest so called institution in girls' athletics on this campus is the Bishop-Hepburn game. At first Bishop and Hepburn were the only girls' dormitories on this campus and so they each had their own team. Then West Hall, then called East, was built. In order to make two teams, the girls from this hall were placed arbitrarily on either team. Then East was built and the problem became more complicated. It was decided that the Junior and Freshman classes should go together against the Seniors and Sophomores. But it was found that one team was always so much stronger than the other. In order to assure evenly matched teams, it was recently decided that the two year girls should be placed arbitrarily by Miss Phillips and Miss Shaw on the weaker team.

A bright future is promised girls in athletics. The athletic field now consists of two baseball diamonds, two volley ball courts and hockey and soccer fields. A practice field, a 100 yard track, high and broad jump pits are in the process of construction. Eight tennis courts were built last year and eight more are to be constructed. The field house is to be enlarged and will contain locker and equipment rooms. A plan is now before the faculty of Miami to give credit to Juniors and Seniors who want to take gym. Advanced classes will then be held so that there will be no repetition in the work.



Miss Margaret E. Phillips

Received A. B. degree at Vassar in 1919. Obtained certificate of Hygiene and Physical Education at Wellesley in 1921. Has been assistant professor of Physical Education at Miami since the fall of 1921.

"M" Association

Every girl who has earned 700 points in athletics automatically becomes a member of the Girls "M" Association. "M"s are awarded to girls after being judged by the Athletic Board on the following conditions in addition to the requirement of having 700 points: health (posture and poise), discipline, (costume, attendance, effort, spirit and observance of training rules), technical skill and good gymnasium record. The ideals of the organization are to create a goal in athletics toward which to work and to sponsor such a goal among women of the University and to cooperate with the Women's Athletic Association in everything which it may endeavor.

The functions of the "M" Association are various, the chief one being the sponsoring of an "M" banquet held at the close of the class tournament in basket ball. At this event the winners of the tournament are guests and the Bishop-Hepburn teams are announced. Members of the Association also officiate at the indoor and outdoor track meets as announcers, score-keepers, judges, timekeepers, apparatus managers and the like. "M" Association also assists at Homecoming by helping decorate, sell programs and assisting Athletic Board in their sale of food at the game.

Baseball 1925

The spring sports for girls at Miami consist of track, tennis, and baseball. A new 100 yard track together with pits for high and broad jump have just been constructed on the girls' athletic field. Tennis facilities for girls are also very good for there are eight courts in playing condition with several more in the process of construction. Girls at Miami are also fortunate in possessing two baseball diamonds.

As in every other sport, baseball has its class tournament. To the champions a silver cup is awarded. Last spring the tournament was very close. The Sophomore L. A.'s managed to eliminate the Freshman L. A.'s by one point. The Freshman T. C.'s and the Sophomore L. A.'s were the only two teams then left which were undefeated. The championship game resulted in a win for the Freshman T. C.'s, which gave them the right to the cup.

Top row—Williams, Hanlon, Norman, Engle, Young
Bottom row—Runyon, Poling, Fincannon

Track 1925

The outdoor track meet went to the Freshman class who succeeded in making 39 points. The Sophomores were next with 33, while the Juniors and Seniors scored 18 points combined. Four Miami records were broken. Hedrick lowered the time for the 75 yard dash to 9.6 seconds. The Sophomores captured the 440 relay and lowered the time to 59.6 seconds, which is 4.4 seconds better than ever before. Fincannon brought the time for the 60 yard low hurdles down to 10 seconds flat. Finney succeeded in heaving the discus 77 feet 9 inches, breaking a previous record of 77 feet.

The cup which is given to the highest individual scorer in the meet was won by Marie Hedrick, a Sophomore T. C. She scored 18 of her team's 33 points. Julia Glover, a Freshman L. A., came next with 12 points, while Finney, a Senior, took third place with 10 points.

Hockey 1925

The class of '27 for the second time triumphed over the other classes and again won the hockey banner. Their closest rivals were the Freshman L. A.'s, whom they eventually eliminated.

Another English hockey coach, Miss Stephon, spent a week at Miami last fall. During her stay, practice games were held which she coached and many valuable pointers were gathered from her. An exhibition game was also given this year between halves of the Homecoming game. Two teams were selected, the Red and White. These teams later came to compose the varsity squad.

Soccer 1925

To the Sophomore L. A.'s goes the soccer championship. Their first game was against the Freshman L. A.'s which they eliminated by a score of 3-2. They next beat the Seniors by a score of 3-0. Meanwhile the Juniors too had been winning. They won both of their games with the Freshman L. A.'s and the T. C.'s and succeeded in tying with the Seniors. So the championship really lay between the Juniors and the Sophomore L. A.'s. This game proved to be a decisive victory for the Sophs, who overwhelmed the Juniors 4-0. The exceedingly slippery and muddy field made it hard going for both teams, so that real spectacular playing was difficult.

Volley Ball 1925

Fall sports were rather disorganized last semester due to the rainy weather. Few practices could be held and tournament games were postponed from time to time. The fields were in poor condition, so constantly soggy and marshy that when the weather was agreeable, the fields hadn't dried up sufficiently to allow playing. These conditions somewhat retarded the usual fall sports. But despite everything the tournaments were finally finished.

The Sophomores fared very well last fall, winning two out of three championships. The final game in volley ball was between the Sophs and the Freshman L. A.'s, in which the Sophs won by a small margin.

Basket Ball 1926

Basket ball season usually consists of first an intersorority and independent tournament; second, the class tournament, and finally; the Bishop-Hepburn game. The intersorority and independent tournament has two leagues, "A", which is composed of the best players in the group, and "B", those who are not such able players as they are interested. The Sigma Kappas and Independent team 1 tied for first place in "A" league. Independent 1 finally won and thereby earned the right to have their name engraved on the silver plaque.

The Juniors won the class tournament. As far as percentage goes they tied for first place with the Sophomore L. A.'s, but by virtue of having made more points than the Sophs, they thereby earned the right to the banner and free admission to the Girls' "M" Banquet.

Bishop-Hepburn Game

The night of the Bishop-Hepburn game and the Indoor Meet is considered by far the biggest night in the year for girls. The teams are chosen by Miss Phillips and Miss Shaw. The odd numbered classes of the four year girls are on Hepburn's side, while the even numbered classes of the four year girls are on Bishop's side. The two T. C. classes are arbitrarily placed by the heads of the department on the weakest side. Last year a rule was put into the constitution of the Women's Athletic Association that in order to be a member of any varsity team, the player must make a "C" average. Some misunderstanding arose as to whether the "C" average meant the last semester average or the average at the time of selection. The grades at the time of selection (that is since the semester and previous to the nine weeks) were used as basis for this year's team. The rule was later amended in a meeting of the association to read that the average would be calculated from the last official grades as coming from the registrar.

Hepburn won last year, the first time for a number of years, but Bishop succeeded in regaining the cup this year by a score of 21-16. The game started with Pool getting the tip-off, but Bishop fouled and Clear made it good for Hepburn. Then Stuart scored a field goal, followed by another by her partner, Wykoff. Then Jones scored for Hepburn. Kling fouled and Stuart made it good. Wykoff scored again as the quarter ended. Pool again got the tip-off. Glover got it to the forwards who were stopped by Hepburn; ball went to Hepburn. Jones scored twice in succession for Hepburn. Wykoff scored twice. Hepburn substituted Hughes for Williams. Bishop put in Deeter for Mincher, Klein for Glover and Doty for Stuart. Mease fouled and Wykoff made it good. Half over, 7-14 in Bishop's favor. Second half opened with Stuart, Mincher and Glover in for Bishop again. Bishop got tip-off and ball was worked down to their forwards. Time out was called for Wykoff. Mincher fouled Jones while she was shooting for basket, but both free shots were missed. Time called for Glover. Hepburn put Boltin in for Clear and Evans in for Mease. Stuart scored. Norman fouled; Hepburn failed to make good and the quarter ended. Last quarter, Evans got the tip-off. Boltin scored twice and made a foul called on Pool good. Stuart scored. Hepburn substituted Williams for Hughes. Pool fouled again and Boltin made it good. Norman fouled and again Boltin rose to the occasion. Hepburn fouled and Stuart made it good. Game over, final score, 16-21.

Indoor Meet 1926

The Freshman took the meet by the small margin of 2.8 points. The Freshman scored 84.6 points to 81.8 points made by the Sophomores. The Sophs won the marching by .1 of a point, 25.7—25.6. Floor work went to the Freshman 36.2—35. In apparatus the Sophomores proved a little superior and won 21.1—20.8. The relays were the deciding factor in the meet and the Freshman took both of them, thereby scoring 2 points. The work was well performed this year, especially the marching. Apparatus work was done in squads. They rotated from one piece to another. The only optional piece which could be done was rope climbing. Every other piece had to be done by every one in the squad. Several girls succeeded in getting over the buck at its highest with the ball on top. Isabel Williams made the highest in the swing jump, 5 feet 9 inches. Margaret VanFleet won the individual honors. In between halves of the game, honors and awards were given out by the President of the Athletic Association, Hepburn put on a stunt and the Sophs did several tumbling acts. The Judges for the various events were: Misses McQuiston, Nitchie, English and Swisher.

Miami Life

Miami Spirit which is an inevitable part of every true son and daughter of our Alma Mater, develops as a result of daily life among the traditions and customs of our college.

Each day we meet and stop to exchange a word or smile of friendly greeting. The faces of the students, the campus with its buildings of red brick, and the age-worn Slant Walk becomes a part of our life.

In the photographic section which follows an attempt has been made to perpetuate MIAMI LIFE as we all know and love it. The glittering, glistening snow-white Campus of jolly winter days, the soft, balmy green springtime, well-known brick structures, faces of familiar persons, personal glimpses of men and women who are outstanding in their effort to concentrate four years of their life to the institutions of our college, the peaceful Oxford village, a happy group of lovers, and life as we know it in the dormitories or fraternity houses—all are set forth to aid us in recalling the most happy time of life—OUR MIAMI LIFE.

Review of Student Activities

Of the many useful diversions which serve to round student life into a well balanced whole, Student Activities assume a prominent place. Here are purposive, organized pastimes in which the natural inclinations of the student may find pleasant and profitable recreation in cooperation with congenial spirits of the same trend.

For those of politic or forensic turns are student government and debate; the publications offer an outlet for journalistic and literary ambitions; musical ability may find congenial associations in the instrumental and vocal clubs; the "Y's" and various committees offer a field for social endeavor; and dramatic aspirants may find a welcome playground on the stage.

In the following pages reminders of these scenes and memories have been carefully gathered and set down in an indelible record that neither time or future worries can eradicate.

Sororities

Sororities at Miami have developed with great rapidity since the founding of the first, Delta Zeta, in 1902. Alpha chapter of Delta Sigma Epsilon, was founded in 1914. At the present time there are seventeen sororities on the campus, the number exceeding that of the fraternities. During the past year, several new nationals have been established, namely: Zeta Tau Alpha, Theta Upsilon, and Pi Delta Theta.

The question of sorority houses has arisen as a new problem on the campus, to provide for the increasing number of students and the need of lodge rooms. The rising number of organizations indicates the necessity for them, which has developed with the rapid growth of the University.

Fraternities

Miami University is famous as the mother of the Triad, composed of Beta Theta Pi, founded in 1839, Phi Delta Theta, in 1848, and Sigma Chi, in 1855. All of these fraternities have become nationally known. Younger in years, but also national in prestige, is Phi Kappa Tau, founded in 1906. There are at present only thirteen fraternities, an insufficient number for the comparative enrollment of men.

The Pan Hellenic Council has endeavored to establish a democratic atmosphere on the campus, and to encourage interest in activities. The Intramural games of all kinds have done much to bring this about. The pressing need for more fraternities is the problem facing the men of the University.

Honorary Organizations

Miami is noted for her Honorary Organizations, not only because the organizations themselves are of such high caliber, but because they embody men and women who join together and work in unity for the betterment of Miami.

Phi Beta Kappa, Kappa Delta Pi, and Kappa Phi Kappa have as their primary objects the raising of Miami's scholastic standing. Phi Beta Phi promotes journalism, and Tau Kappa Alpha encourages men who have forensic ability. Phi Mu Alpha and Delta Omicron, both national music organizations, encourage men and women to sing, play, and appreciate better music.

And so, each organization has its duty, which is noble, and therefore plays an important role in bringing together men and women who are fighting for the same interests, so that they need not go single handedly into the battle of wits, but have the privilege of standing with brothers and sisters.

One Hundred Years of Miami Union

On December the fourteenth, eighteen hundred and twenty-five, nine Miami students formed the organization known as the Miami Union Literary Society. In the words of the founders: "For the cultivation of the moral and intellectual faculties of the mind, we on this 14th of December, 1825, form a literary society for our mutual benefit." The Miami Union Literary Society is the oldest organization now in existence on the Miami campus. It has had a not inglorious history and has counted men of national and international fame among its members, who number now more than fifteen hundred Miami graduates.

The society is closely connected with the history of the founding of the Miami Triad—Beta Theta Pi, Phi Delta Theta, and Sigma Chi It was the forum at which students discussed campus problems as well as questions of wider interest. It founded the first publication by the students of the University which has continued throughout the years under various names and is now The Miami Student. In 1843, the Society was incorporated by an enactment of the Ohio Legislature. Among the members are found such names as: General Benjamin Harrison, President of the United States; General Robert C. Schenk, Ambassador to the Court of St. James; Whitelaw Reid, Ambassador to France; Samuel Galloway, Wm. Groesbuck, Wm. Dennison, Charles Fisk, Henry McClure, Eugene Bundy, David Swing, and R. M. Hughes.

The organization served many purposes in its prime, extending from that of the present Student Senate to the founding of the paper. But those things are of the past and at the present time the members feel that the work formerly done by the Society is being cared for by other agencies. Thus it happened that, at the banquet held on the evening of the one hundredth anniversary of the Society, it was decided that hereafter Miami Union will no longer be actively engaged in the functions of a literary society. Hereafter, Miami Union will be an honorary organization, membership to which will be restricted to those who have done most for their Alma Mater. Preference will be given those students who are outstanding in lines of literary endeavor.

Thus will the name Miami Union be preserved—the oldest extant organization on the Miami campus. Thus will the traditions of the past, the noble examples of those members who have achieved fame, and the purpose of the founders be carried onward.

CHI OMEGA

In our social flutterings the Chi Omegas look rather good to us. Their type of girl runs to the five-foot-two, thirty-five inches around and thick ankles and knobby knees. Yes, disgusting as it may seem, they show their knees. No, they do not roll them. Very few of them ever succeed in gettin' their mouths on straight and whether it is due from just plain nervousness or a lack of nicotine, we can't say. They neck and have an astounding quantity of amusing jokes which they will tell if you insist. Yes, they're rather high-hat but we wouldn't feel so bad about it if they would tell us why. Their favorite drink is "Coke" with a little Alco-rub thrown in, after which they imagine themselves very giddy and affect that "tight", whashorename-attitude. They haven't any particular line inasmuch as their mental equipment has not as yet reached the inventive stage, but they are improving.

PHI DELTA THETA

Yes, the Phi Delts are still upholding their traditional policy of being the best sorority on the campus. They certainly are a collegiate and sophisticated bunch in appearance. They are the boys that still wear short pants and go around shouting "much-pash" with an English accent, you couldn't possibly have missed them. They are the type that play lawn tennis and leap frog when the days grow warm. They don't frequent Willis Brothers, the environment is too noisy and nerve-shattering for their delicate senses. They bask in the Purity and are soothed by the sweet strains of the mechanical virtuoso in the glass cage. Their favorite sport is bridge and women. Mostly women. They are devils when it comes to the weaker sex and they admit it, the brazen things! They specialize on laughing in a peculiar manner or showing their mirth in such a way as to attract attention. Yes, they drink tea, but nothing any stronger, oh goodness no! They carry compacts and slick their hair with perfumed oil which proves an irresistible charm for the fairer sex. They also dote on nice white linen panties and baby-blue stockings with gay colored garters to give the delicate touch. They give hot parties at which everyone screams and has a good time. Rah! for the "much pash" Phi Delts.

DELTA ZETA

Clap hands, the Delta Zetas appear ensemble at Willis Brothers for their afternoons' social recreation and believe me, they're the hot saliva, 'um bunny! Get out your compacts girls for here's keen competition. Go nuts P. A.'s for here are the cagey feminine element and the acme of a "good date" in this institution of learning. No, none of them are very beautiful to behold, but their cunning personalities and cute little ways make up for such a deficiency. All of them are simplicity itself; they just love to spend a week end down on the Farm and they just love to putter around the Garden. None of the D Z's carry pocket flasks this year, they don't hold enough and besides they believe that if you go in for anything you should go in for it strong. Statistics show that they buy huge quantities of listerine and Lucky Strikes. Their favorite drink is a "coke" and anything else that will mix well with it. They have hot dances at which every one screams, jumps up and down and acts in other ways kittenish and collegiate. They're all quite affectionate and just love to get their dates into an argument on sex and the double standard. Their lines are very similar and show a certain amount of standardization that rather impairs the originality of the thing if one dates around a bit in the same chapter, but otherwise it gets over.

SIGMA CHI

The Sigma Chi boys have the ideal location right down at the end of everything. This way fellows with your sneak-dates. Poor old Sigs. You have lost your reputation in regards to your famous tea parties and now the Phi Delts bask in their stolen glory. You have your compensations, however, but you want to be careful that your still doesn't blow up and burn down your beautiful home. You're not high-hat nor do you suffer from an inferiority complex; you merely realize your position and there is nothing that we admire more than frank and open recognition of the facts. You give good parties where everyone has a good time, staggers home and wakes up in the morning with a head ache and a taste in their mouth like a dark brown horse. Quite a few of your boys made the all-state P. A. team and we are sure that the majority just missed it by a hair's breadth. You are very active in the Willis Brothers social circles where small talk is bantered with the women, and Doc Barkley reports that next to the Delta Zetas, you Sigs rank first in regards to the quantity of Mange Cure and Listerine purchased by any single organization on the campus.

DELTA TAU DELTA

Nine Blahs and a raw for the "Screaming Inebriates" of North Tallawanda road. They are really the cat's undergarments when it comes to P. A.'ing up at Willis Brothers on an afternoon. When they take their dates out they adopt this frank-just-between-you-and-me line and it gets over like a heavy stack at the Oxford. They go in for the hot variety of parties where the musicians roll upon the floor and shout to help out the perspiring couples that do the Charlesboig. They are the boys who are so bright that they rarely study, and when they do have their lessons the professors will not take them seriously. The Delt boys are the ones who are proverbially lacking in mental equipment; they only lost about half their chapter on account of low grades. They must take their social responsibilities too heavily or be suffering from chronic conceit in regards to their capacity to taking care of the women. They are the boys that live in the new house with the Italian, hand carved mantel from Dayton, Ohio. Yes, they spit in the fire place. The Delt house aside from being in the lime-light in the day light is a place of mysterious and boisterous activity thruout the night. It is known to the denizens of Oxford night-life as the Tallawanda Casino; this explains why so many of the Delt brothers buy a new suit at the Varsity every week or sling sinkers and coffee for a month in Willis Brothers to make up a debt of honor. Let us give a jolly whoop and a whistle for the merry Delts and maybe with this encouragement they might do something worth while some time.

DELTA GAMMA

These Delta Gammas are really the skim milk of the campus. They go in for strong colors—these Dutch blues and aching greens. They also specialize in big pedal extremities and it is very apparent that the majority of them need good foundations. They are the one-man type girl who grab off a fellow and hold on to him like grim death until he either has to marry her or reckon with her father for trifling with her affections. They are the kind that can rock a cradle a helluvasight better than they can Charleston, but they want to be wild and flapperish so we must give them credit for that at least. Statistics show they prefer Chesterfields. Oh yes, they are quite the high-hatters and when we see one of the tribe on the campus we feel like asking her permission to walk on the same side-walk that her delicate little feet have just trod. Nine blahs for the Delta Gammas and make 'em big!

DELTA KAPPA EPSILON

They're the best fraternity on the campus and they admit it. They have big strong men that can run and jump and everything. We all wish we were members of your good old D. K. E. frat and could dine with you on beer, sauerkraut and wieners. In such an athletic element would not expect to find beauty or a touch of the asthetic, but ah ha, it's there. They have a taste for artistic music; such a taste that they blew themselves to an Orthophonic Victrola and they haven't stopped the thing since. They play such records as—, well, those Russian names were always unspellable, but their music is of the better type. Their house is decorated with cups and trophies so that you can't fail to realize that here is THE fraternity. The boys rate after a fashion with the women but their social flutterings with the feminine attractions here at school amount to little or nothing. The Freshmen carry on the better part of the social activity for the chapter and having P. A.'s for Freshmen is a bad sign. Get out the old wood, boys, you're slipping. Aside from the athletic element in the chapter, the boys have a beautiful lawn, a nice house and dilapidated furniture. Their parties are complete flops. Just keep a stiff upper lip, tho, boys, and you'll come out all right.

SIGMA ALPHA EPSILON

Nine large blahs for the boys who sleep in the barn. They are the root-de-toot men of the campus—those musical souls with the long winded anatomies. They give rollicking dances where everyone stands in the same spot and revolves slowly with a jiggling movement, shouting and screaming to improve on the music. They are the boys who are hot after the intramural championships, and it is to be predicted that they will easily cop off the cup of the inter-fraternity ping-pong contests. They are the boys who date the Western mamas and throw those old time parties down at the Farm. They are nuts about the women and hand out a serious line with a pin on the end of it. They are the boys who wear grey sweaters with the black stripes down the middle. They fit the form and show off the manly chest—makes them look more virile and all that. Yes, their habitual haunt is Willis Brothers and their favorite sport is P. A.'ing. Being well represented in the Senate, none of the brothers have suffered the ignominy of getting the boot. That's showing the old fraternity spirit. We're proud of you, fellows.

DELTA UPSILON

We are at a loss as to how to begin an enumeration of all the things that are wrong with the D. U. Chapter. Space and time would not permit such an enumeration and the censors would probably not permit some of the more choice details to go into print. But to begin with, they are bad boys, yes, they're bad! Most of them never comb their hair and there are quite a few of the brothers that are perambulating advertisments of the House of David. Bless the boys, tho; one never knows whether they are tight or whether they are just acting naturally and they really are diverting. They have their chapter meetings at Willis Brothers and any one can attend. Sit in on one some time and see what you think of it. Better than that, sit in on their boarding club some time and see what you think of it, we are sure you will get a bigger kick out of this latter experiment. Keep this under your hat, of course, but their parties are complete flops where one lurches about shouting, "More!" "More!" and finally has to be carried out or put to bed. They P. A. quite a bit in the pick-up-get-what-you-can manner and seem to enjoy it. They wear old clothes, no ties and soap-stone charms with their initials and a big M carved on them. Thirteen rahs and a hand-painted lollipop for the jolly D. U.'s! We're for you!

DELTA DELTA DELTA

Applaud, the Tri Delts are appearing at this moment! They are the girls with the extraordinary feet, extra large we mean, and the holier-than-thou attitude. They are not high-hat—why should they be? The underslung, short wheel-base type have a majority in the chapter with, of course, the opposite extremes. They are the kind of girls that will make nice, strong, capable wives for men who love a grate fire and a pipe. At present there are just a few that have shot off at a tangent toward the hot-Chorinne species, but we believe that even these will revert to type when they tie down to some good, steady man who brings home a fat pay envelope every Saturday. They are the sort of girls that never cut university service, and, if by any accident upon their part, they should happen to miss it, their conscience pains them for the rest of the week. None of them can inhale nor do they go in for the wet type of parties—in short, they're rather good girls.

ALPHA OMICRON PI

Get a shovel for here are the gifts of Heaven to men. We really have to hand it to you girls for having the best looking bunch on the campus; it's a pity you couldn't have had the mental equipment and personality to go with the aggregate beauty of your chapter, but you can't have everything, you know. Yes, the A. O. Pi kids like to frolic around on roller skates and on horse back; they're playful, affectionate and fickle. A fellow shouldn't date with more than one girl from this chapter for if he should happen to date two of the sisters up during the same week there might be a murder or some other regrettable incident over in Bishop Hall. Each girl from this perfect chapter tries to see if she can cut her sister out of the latest "crush" she has acquired, whether the "crush" means anything to her or not. They put out a line heavier than a stack at Willises' and grow indignant if you don't believe it. Their favorite cute expression is, "Get a soap box." It's too bad they couldn't be at least original. They are to be found every afternoon in the third or fourth booth back in Willis Brothers. Yes, they like Chesterfields and a little something to liven up a dull party. One huzza and a cheerio for the A. O. Pi's, we would be more generous only you really don't need any one to talk up your stock inasmuch as you do so much of it yourself.

BETA THETA PI

Yes, we are quite well aware of the fact that the Beta chapter is one of the seven wonders of the world—it's a wonder that it still exists! We must admit that they have a lovely front porch and the best location on the campus. When a Beta invites you over to the dear old frat house, he invariably says in that ingratiating tone of voice which makes one feel like drying up and blowing away, "Come on over and sit on our front porch—the Beta porch,"as if it were a throne of gold and precious stones. Yes, they're quite the high-hats with the least possible reason of any group on the campus for being so. When the weather waxes warm and the Oxford Public School boys begin playing marbles, the Beta boys can't resist the temptation, but get right down in the dirt and shoot for keeps too. Yes, they are also the cow-boys of Miami, invariably dressed in those rough, virile clothes that make the man. Within their luxurious mansion they affect an astonishing indifference in regards to each others' appearance—pajamas are the vogue in the living room and at lunch. They sing, yes, they call it singing, but the record is showing signs of wear, "Do You Want to be a Beta Sweetheart?" Hell no! Such dances! It would be better to call them rodeos.

An old Chinese proverb runs to the effect that one picture is worth a thousand words. Good service and upright business methods mean a hearty welcome for our representatives whenever they call.

Messrs. Mark Barrar and Ed Meredith will be at
"Ye Spinning Wheel" with the new Fall clothes.

Date to be announced later.
